

Volunteer at St. Patrick's Festival!

16 – 20 March 2022

Dublin, Ireland

stpatricksfestival.ie

Crossing Point Marshall

One of the longest St Patrick's Day parade routes in the world, we have thousands of participants and millions of visitors. Assist Gardai at one of 21 crossing points along the route, allowing foot traffic to cross safely without breaking up parade troupes.

Pageant & Band Flag Carrier

Did you want to be an even bigger part of the parade but didn't know a way in? This role is for you. March with the floats and pageant groups, carrying banners and flags either ahead of the float or as part of the pageant. You WILL be on TV so feel free to be a star!

Accessibility Assistant

St Patrick's' inclusivity is well known. (Well, maybe not for snakes!) One of our most important roles is to be able to offer a bit more assistance and support for those who need it, to give everyone attending a fair chance of enjoying our world-famous festival and parade.

Hospitality Assistant

Got a passion for customer service? The front-of-house volunteers are the beating heart of the festival for everyone attending. From the general public to the VIPs, your role is to be their helping hand... their comfort zone... their guiding light.

Events Assistant

There are dozens of events taking place over the course of the festival and each one needs some degree of set-up, take-down, queue management, runners, stagehands, site services, lifting and shifting... Is event management or site work your thing? This one's for you!

Parade Control Assistant

The parade is the largest event of the festival requiring a huge amount of live production. The parade control crew keeps the flow. You'll alert troupes to changing conditions, collaborate with crossing marshals when the parade needs to stop and let everyone know when they're on TV!
